Description

Two English people decide to look for an old friend in France. Will they find him after forty years of absence?

This story is perfect for beginners: you'll be able to enjoy reading in French, grow your vocabulary in a natural way, and improve your comprehension at the same time.

With the included audio recording, you will improve your listening comprehension and pronunciation.

In this book you will find:

- Enjoyable and carefully written stories : you can accelerate your understanding whilst learning a wide range of new vocabulary and rapidly improving your French comprehension.
- Useful French-English glossaries under each paragraph. You'll be able to focus on enjoying

reading, because no dictionary will be necessary.

- A streaming audio recording available online so that you can learn the correct pronunciation and improve your listening.
- Simplified sentence structures and a very basic vocabulary, using straightforward grammar, so that even novice learners can appreciate and understand the intricacies of coherent French speech.
- A realistic amount of new vocabulary, with a special emphasis on short sentences, natural dialogs and high frequency words and expressions so that you can enjoy reading and learn new grammatical structures with ease.
- A large french-english dictionary at the end of the book: you can easily find any word from the story again, with its gender and its exact english translation.

For students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference).
